ANNUAL PROJECTS

PLAY SHOWCASE

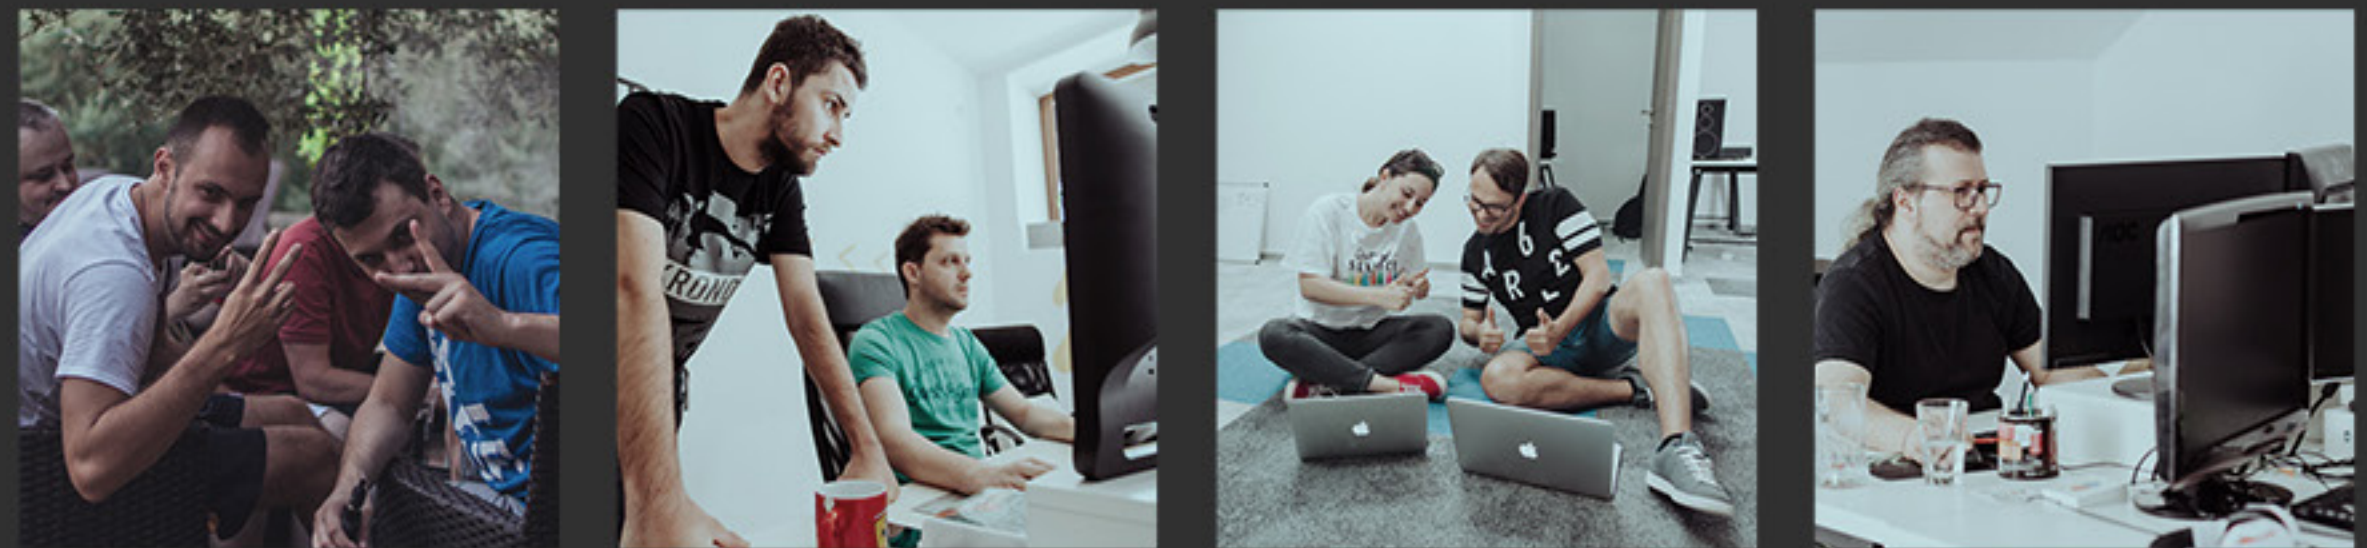

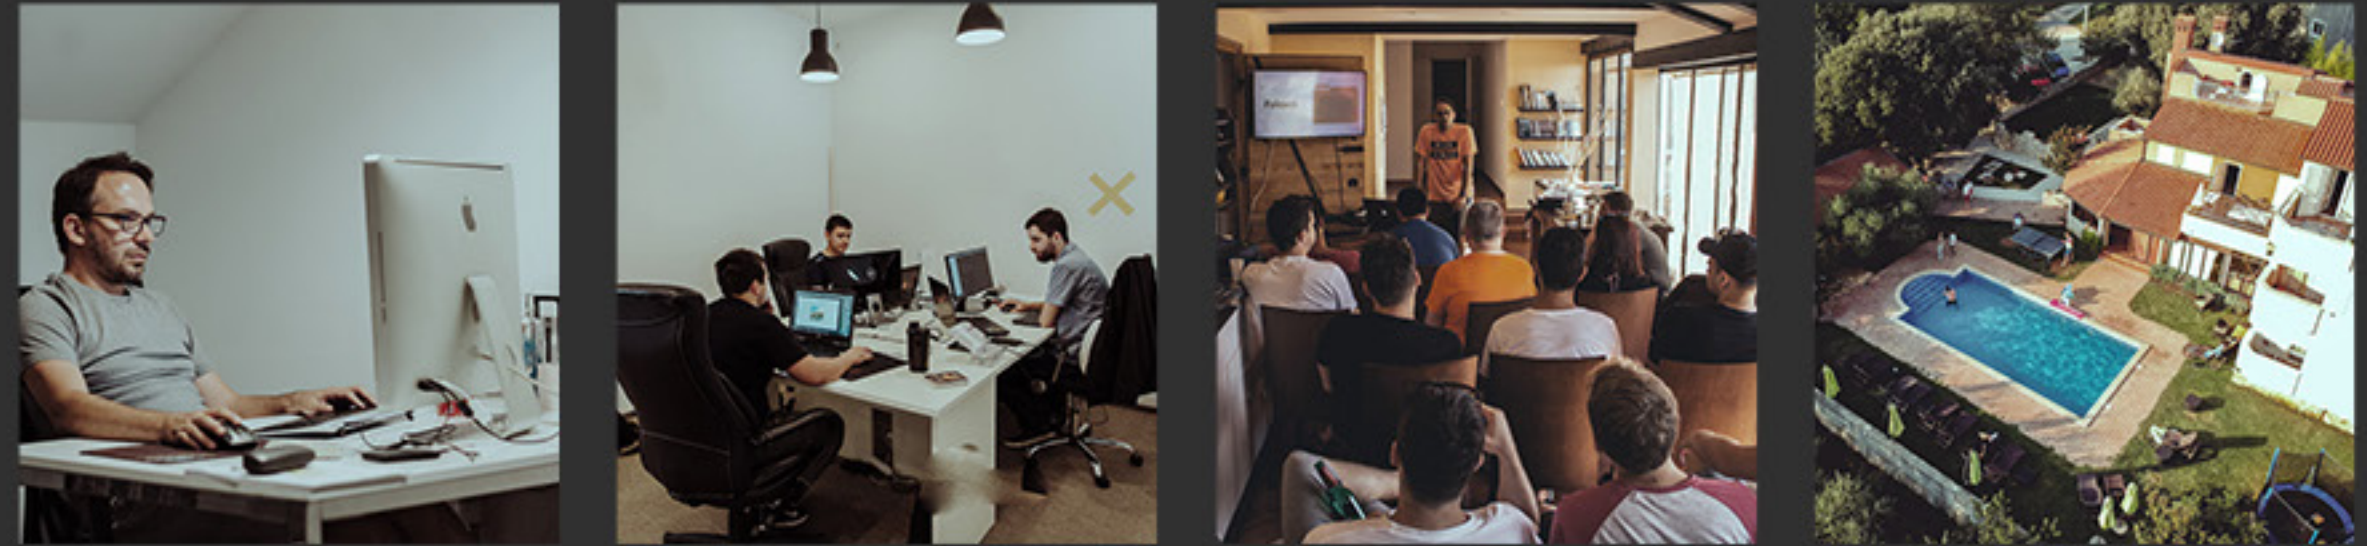

Hello. We are Euroart93.

An award winning digital agency with more than 25 years of creative experience. We are focused on building immersive digital experiences and strong, lasting relationships between brands and their customers.

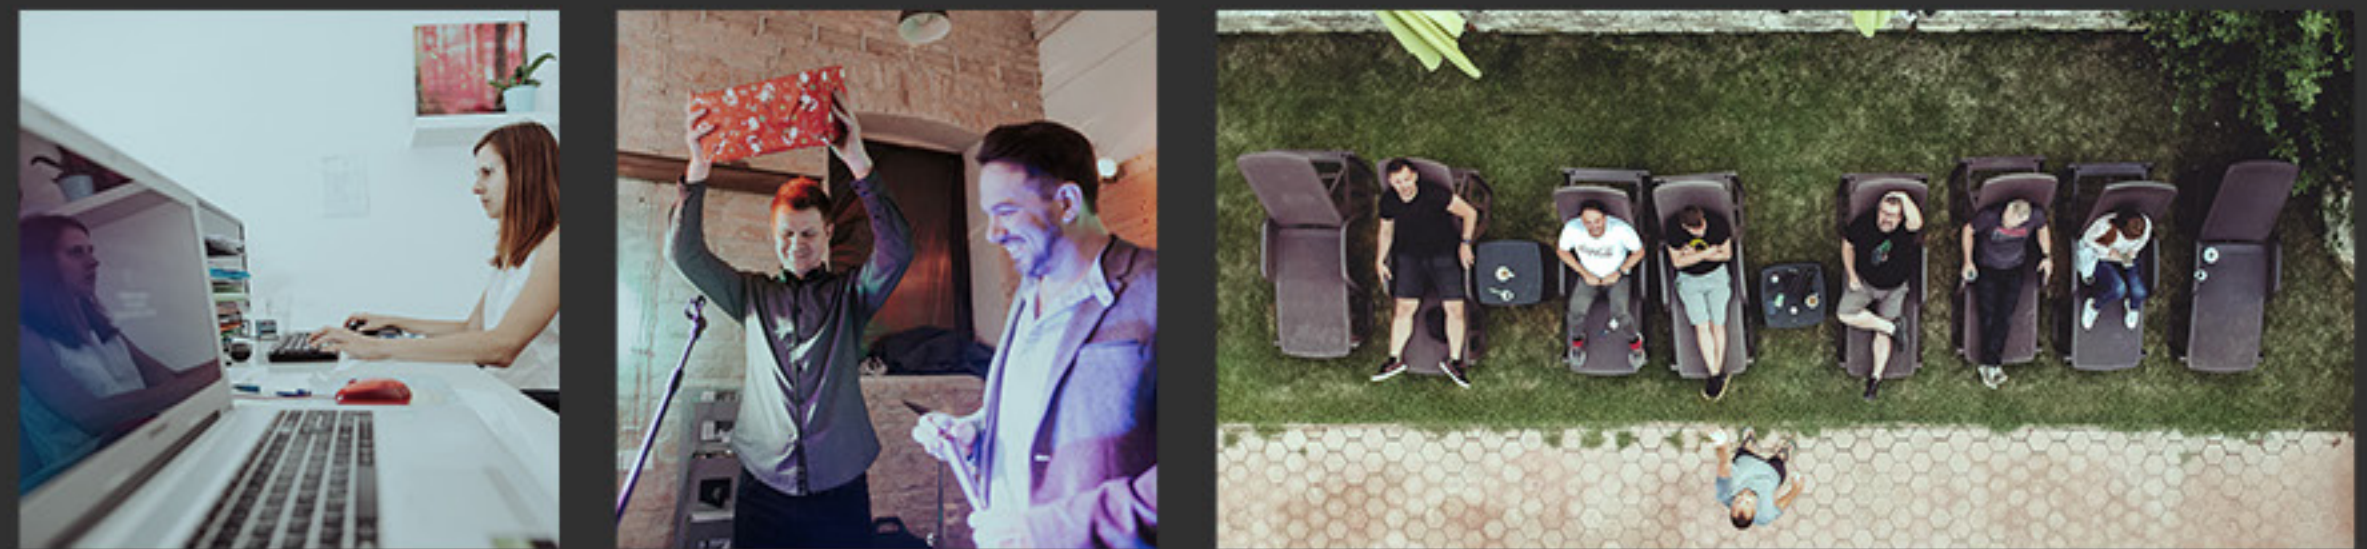

Company culture

- Core values always respected: “be above the ordinary”
- **Connected** – strong connection between employees (leisure time, gaming nights, quizzes, teambuilding, friday night out, education, workshops & festivals, xmas parties)
- **Horizontal hierarchy** – teams are organized by client groups or specific client needs
- **Annual employee turnover rate less than 6%**

Why we are different

- Long term clients collaboration
- Wide portfolio of clients with more than 40 clients per month
- Loyal customers who continuously extend requested services (from digital to print and vice versa)
- Agile, creative, reliable team members with extended knowledge beyond their primary fields of expertise

We are deeply in love with:

As a full-service digital agency we combine our passion for design with building a long-lasting relationship with you. Just like you, we strive to build products that make us proud. We believe that the best ideas are yet to be discovered and we are here to discover them with you - for you.

Let's make digital look good. Together.

Zen in a bottle. 100% Pure Essential Oils

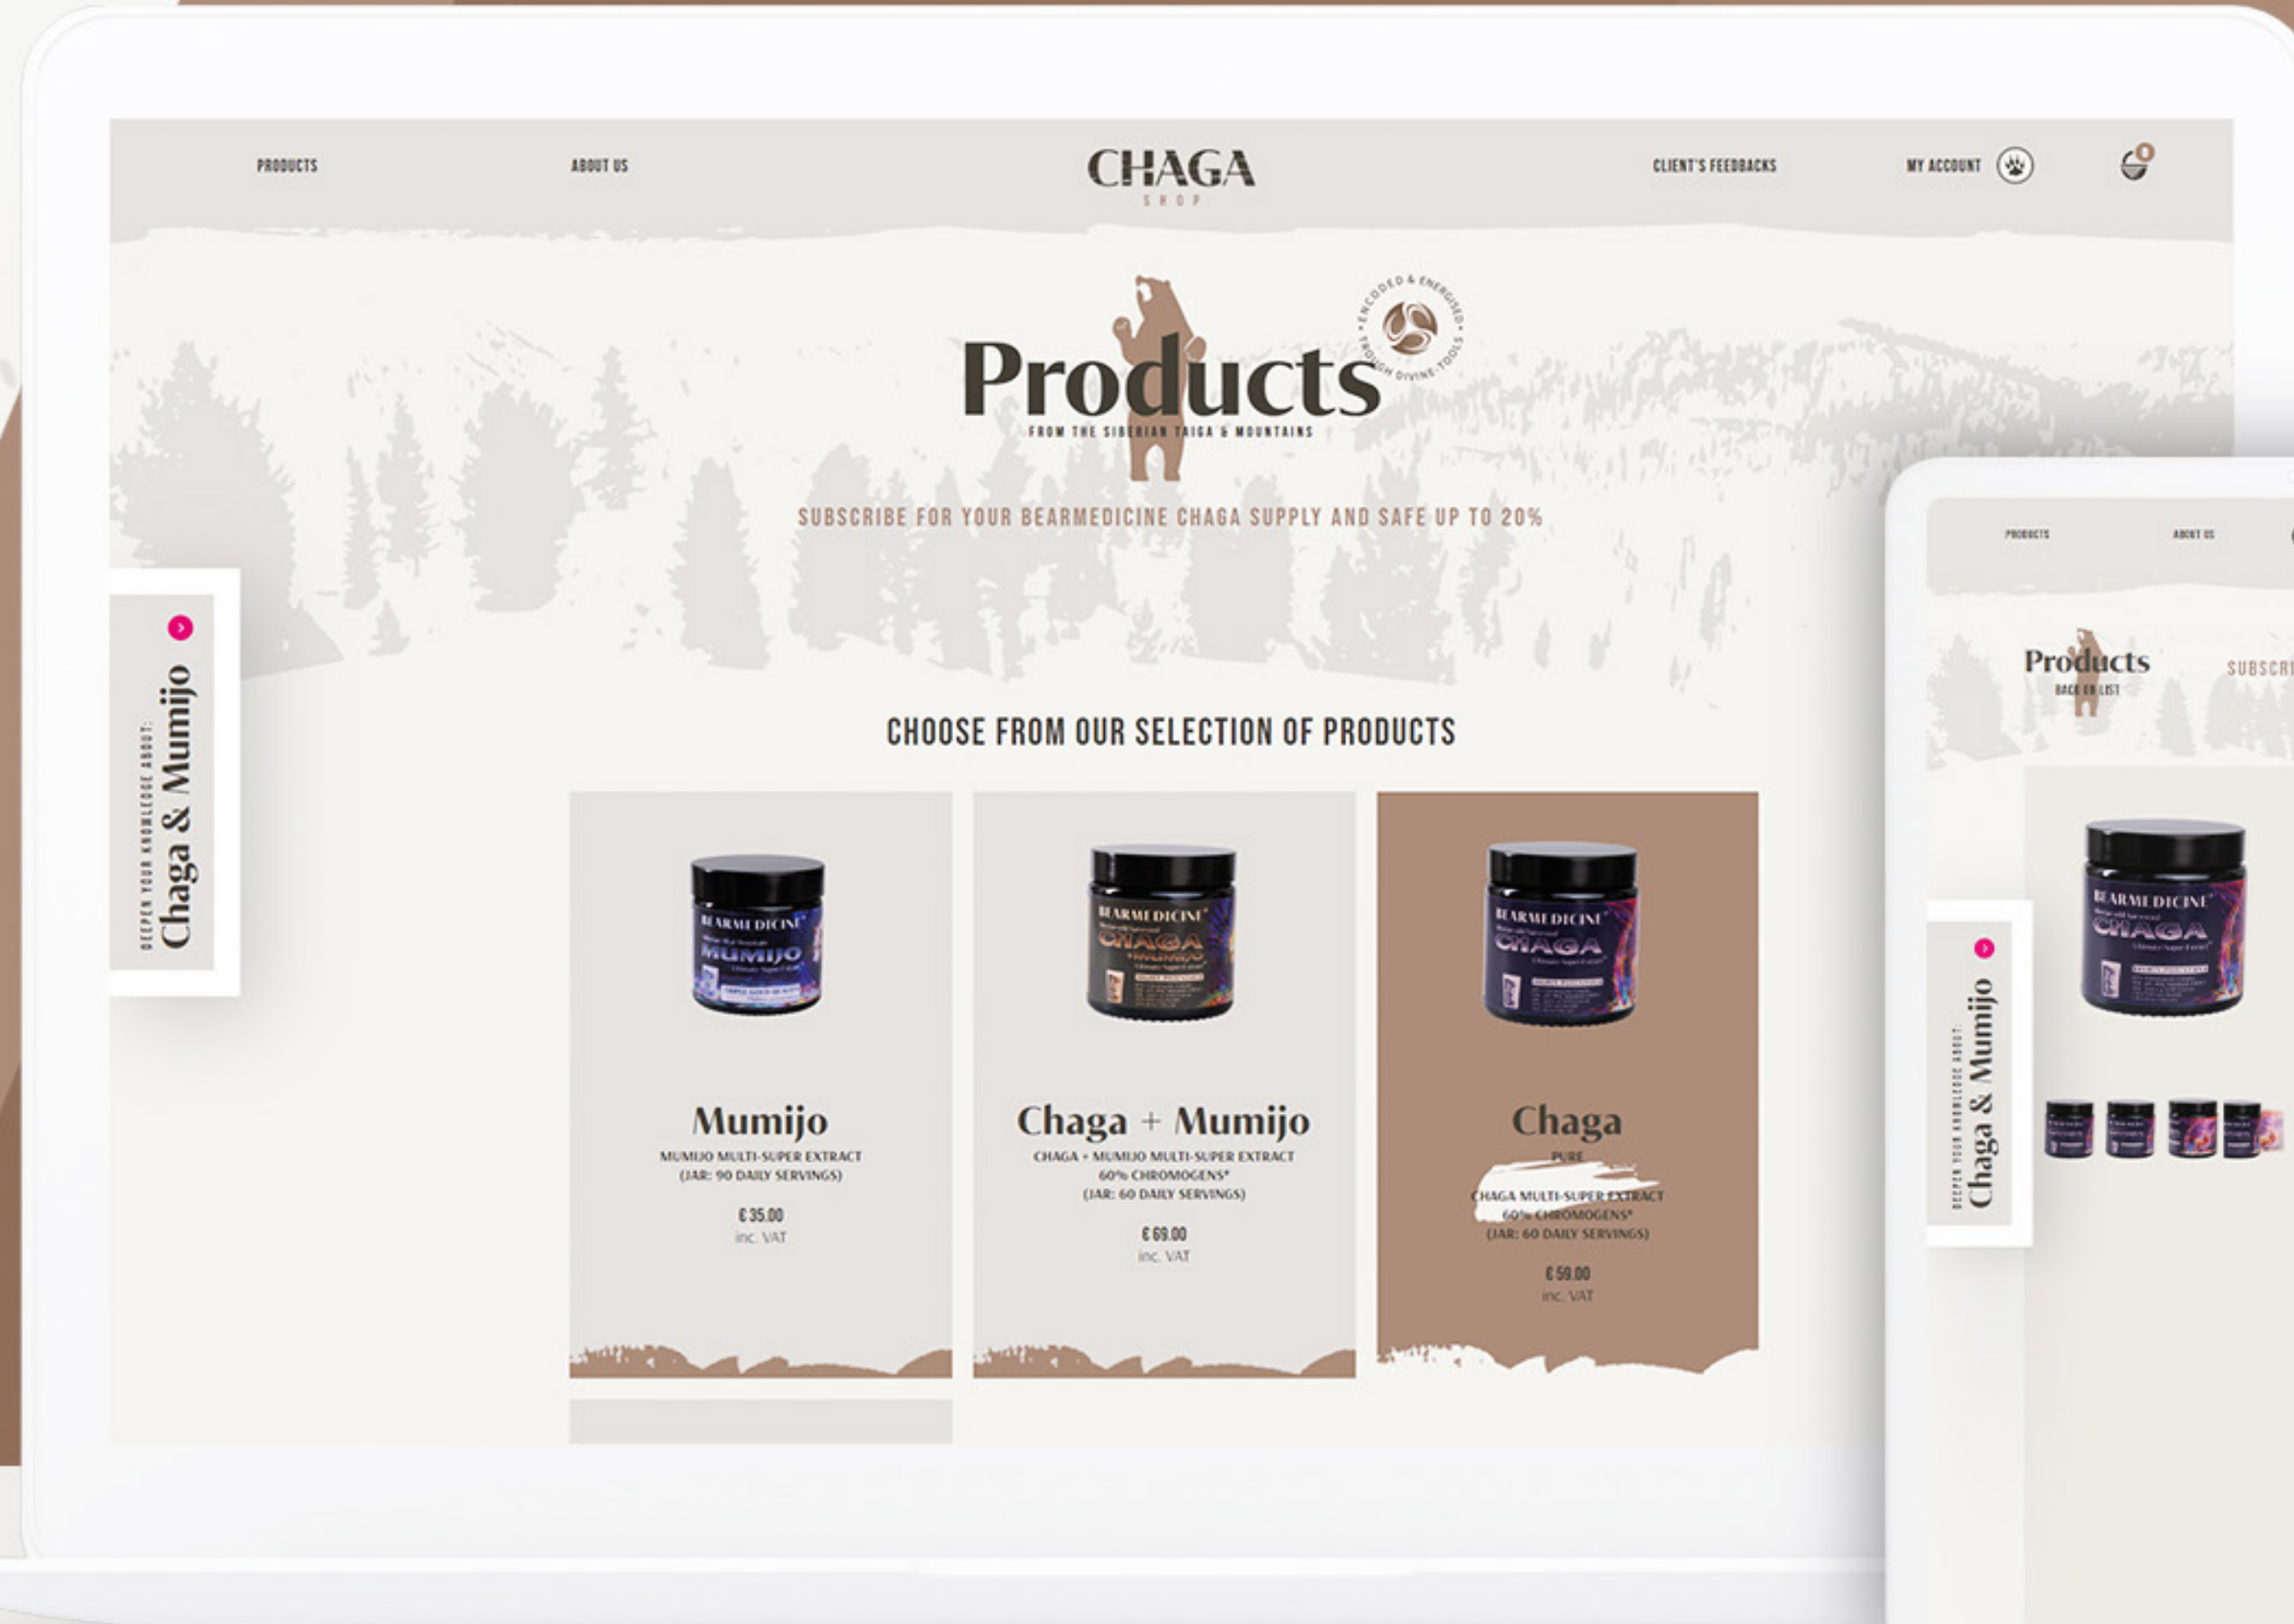

Good scents, perfected by world-class perfumers who care. Crafted with clean ingredients that won't harm your skin or the planet. All in the name of fun. Isn't that what it's all about?

Our botanically-derived body wash and lotion is engineered for even the most sensitive of skin, with stunning scents carefully translated from our fine fragrances by our award-winning perfumers.

Wattle Smarthome

WATTLE SECURITY

A LEADING SECURITY GROUP

Nokas is a leading security group with operations in Norway, Sweden, Denmark and Finland. We supply security and cash handling solutions to clients across Scandinavia.

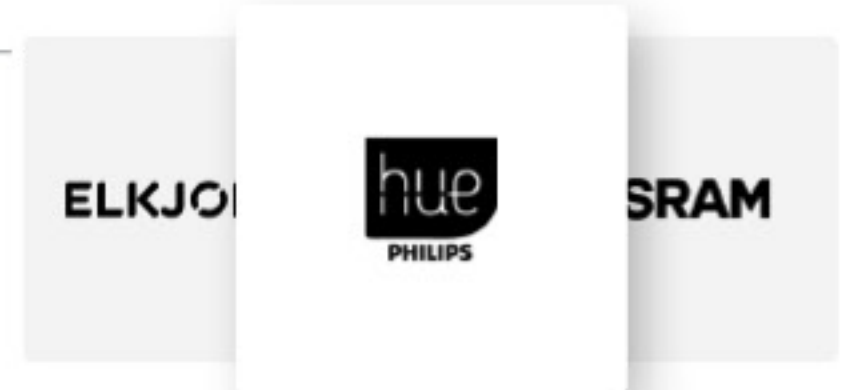

We safeguard lives and assets through the interaction between people and technical solutions. We convert physical cash into electronic assets and vice versa - and we do so quickly and securely.
